NEXT LEVEL DEVELOPMENTS

5. Will there be any health care facilities?

We will have our own healthcare facility but are mindful that Zambia has a good healthcare system which is not expensive to access.

6. Why was Zambia chosen?

Our founders had travelled across the Caribbean and to other parts of Africa. Zambia was found to have the greatest number of opportunities to build our prototype community.

7. Are you apportioned a piece of land on when you join NLD or does it remain with the collective?

Yes, you are apportioned a piece of land. However, all land remains as part of the NLD.

NEXT LEVEL DEVELOPMENTS

8. How easy is it to open a bank account in Zambia?

Quite easy once you are established in Zambia

9. Do we have partnerships in other countries or are you working on other partnerships in other countries?

Currently we are focussed in Zambia but our vision is to replicate this project across the continent.

10. When will the residential development be ready?

The current global pandemic has slowed down our progress. However once we are able to continue we estimate the project to be approximately 18 months.

11. Cost of trip with NLD to Zambia?

Approximately £1,000. Flights can be booked independently to keep costs down.
